

Visual illustration of steps 4, 5 and 11 of 'KIS-ing with Confidence! A guide for Vision users...'

If there is a red dot next to KIS this means that the KIS has not been shared. Please ensure that steps 4, 5 and 11 in line with the above VISION guide are completed. This dot should then turn to green if successfully shared.

4. Click 'More' to expand the Summary and Consent Status Box

11. Click the box 'Decision to send KIS'

5. Click on 'change' and check box to change consent status - verbal or written given

The screenshot shows the ECS/PCS/KIS Summary Management Module interface. At the top, there are fields for Patient Information (Born, Gender, CHI No., Phone, Telephone - home, Mobile phone, Emergency Number, Telephone - business, Email). Below this, the 'Summary and Consent Status' section is highlighted with red circles and callouts. It shows 'ECS: [Green Dot]', 'KIS: [Red Dot]', and 'PCS: [Grey Dot]'. A 'Less...' button is also circled. Below the status indicators, there are three 'Change' buttons: 'No Previous KIS data sent', 'No KIS consent status recorded', and 'Decision to send KIS'. The 'Decision to send KIS' button is circled in red. To the right, there are similar buttons for 'No Previous ePCS data sent' and 'No PCS consent status recorded'. Below the status section, there are several summary sections: 'Emergency Care Summary', 'Key Information Summary', and 'Palliative Care Summary'. The 'Key Information Summary' section contains checkboxes for 'Has a Guardianship Order', 'Has Power of Attorney', 'Has Adult Incapacity Form', 'Has Single Shared Assessment Plan', and 'Has Anticipatory Care Plan'. The 'Palliative Care Summary' section contains checkboxes for 'Has DNACPR Form', 'Resuscitation status not recorded', 'Has CYPADM form', 'Additional Drugs at Home', 'Catheter and Continence Equipment at home', 'Moving and Handling Equipment at Home', 'Has Oxygen for Home Use', 'Preferred Place of Care', and 'Preferred Place of Final Care'. The 'Relevant Medical History' section contains a table with columns for Date, Pri., Description, and Comments. The 'Other Agencies Involved' section contains a table with columns for Date, Description, and Comments. The 'Patient Contact List' section contains a table with columns for Type, Name, and Update. The 'Access Information' section contains a table with columns for Date, Description, and Update. The 'Special Note' section contains a table with columns for Created, No expiry date, and Update.
