

GIVE US YOUR VIEWS

From 1st Aug to 31st October

NHS Lothian's QI & Standards Team for Care Homes and Primary Care settings is gathering **your feedback on your residents' continence products.**

There are **two ways** you can share feedback with us:

If you are a Care Home please use the QR code to complete the anonymous survey

If you are a resident in a Care Home, a family member or a friend of a resident and wish to report a specific issue in relation to continence products please email us:
