Course/topic content

In this interactive, full-day TEAMS session, we will use a case-based approach to explore dermatology emergencies - how to recognise and manage them. This session aims to improve your knowledge of the dermatology emergencies and the vital function that skin plays in maintaining homeostasis.

Learning outcomes

By the end of this course, the participant will:

- Be able to recognise and manage dermatology emergencies.
- Be able to demonstrate an improved knowledge of dermatology emergencies and the vital function that skin plays in maintaining homeostasis.

A cancellation fee will be charged should applicants fail to attend a course and their place is not filled.

- If cancelled 4 to 1 week prior to course – **40% of full cost**
- If cancelled 1 week or less prior to course – **100% i.e. full cost**
- An administration charge of £25 will be added to the cost of courses, where a member of staff has failed to attend.
- An administration fee of £25 will be charged for free courses that are cancelled one week or less, prior to the start of the course. This charge will also apply to any member of staff who doesn't attend the course on the day.
