

# NHS England funding – REACH-HF requirements

## 1. Report to NHS England

- Complete a report template (provided by REACH-HF) including:
  - number of staff trained
  - engagement with other heart specialists
  - how your site will take REACH-HF forwards
  - evaluation of the programme – benefits and challenges
  - plans to ensure future continuity and sustainability of the work
  - outcomes of programme
- Expected interim report three months after completion of training, a further report at six months and a final report on request

## 2. Submit patient-level data from the REACH-HF programme to NACR
