

What will happen at my appointment?

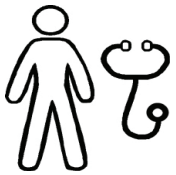

The nurse will:

- ◆ check your weight
- ◆ check your height

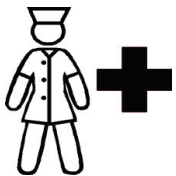

You will then be asked to wait to see the doctor.

The doctor will:

- ◆ ask you some questions about your health and talk about any worries that you may have
- ◆ ask you to undress so you can be examined

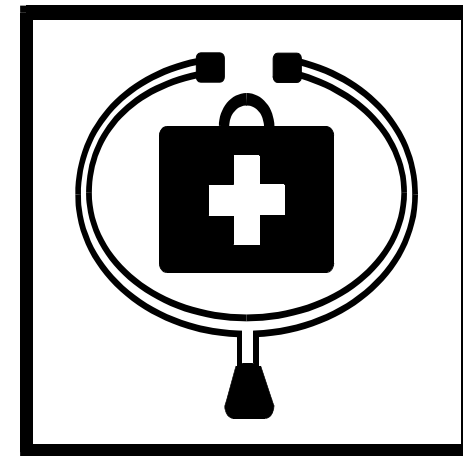

If you are female and the doctor is male, a female nurse will be with you during the examination and she can stay until you are dressed again

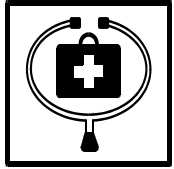

- ◆ explain what is wrong with you, and any treatment or further tests that you need.

Medical Clinic

Outpatient Department

What is the Medical Clinic?

You will see a specialist doctor at this clinic.

If you need help or a wheelchair, please phone us before you come. Our phone number is on your appointment letter. Please try to arrive on time.

What should I do when I get to the Outpatient Department?

When you arrive, go to the reception desk. Hand in your appointment card or give your name.

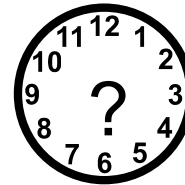

The receptionist will ask you to sit in the waiting area. Someone from the clinic will call your name when it's your turn to be seen.

What should I do if I cannot come?

If you cannot come to your appointment please phone the number on your appointment letter or e-mail the address on your appointment letter.

How long will my appointment take?

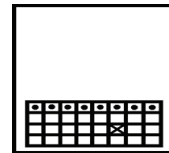

You should allow up to 1 hour for this appointment. When the clinic is very busy you may have to wait.

We will tell you how long you have to wait.

We will give you a new appointment time if you cannot wait.

What should I bring to the appointment?

Bring:

◆ your appointment card

◆ a list of your medicines

◆ a specimen of urine. You can get a bottle for the specimen from your doctor or at your local chemist shop

◆ a list of any questions you might want to ask.
