

## What will happen at my appointment?

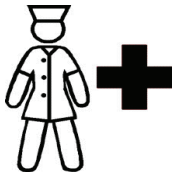

The doctor will come to the waiting area and call your name.

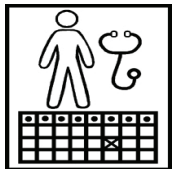

You will be taken to a private consulting room and the doctor will:

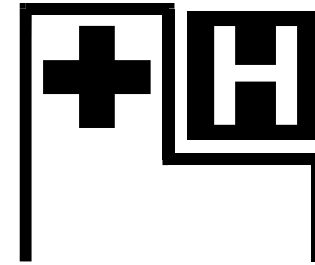

- ♦ ask you some questions about your general health and the problems you have been having
- ♦ the doctor may decide to examine you. **A female nurse will stay with you while you are being examined if the doctor in the clinic is male.**

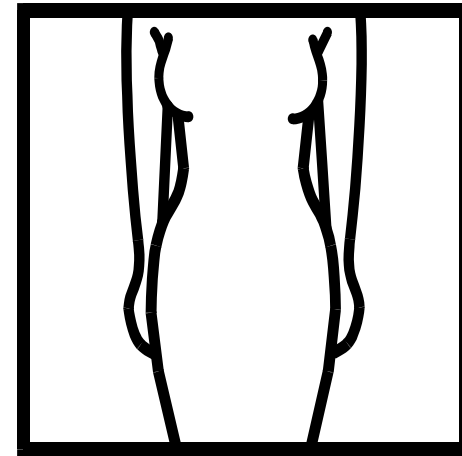

The doctor might ask for you to go for a scan. This can be done during your appointment and you will be directed to the x-ray department.

You may be asked to come back to the clinic another time, to be seen again.

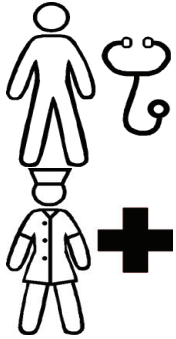

# Gynaecology Clinic

## Outpatient Department

## What is the Gynaecology Clinic?

At the Gynaecology Clinic you will see a doctor who specialises in women's problems.

**A female nurse will stay with you while you are being examined if the doctor in the clinic is male.**

**If you need help or a wheelchair, please phone us before you come. Our phone number is on your appointment letter. Please try to arrive on time.**

## What should I do when I get to the Outpatient Department?

When you arrive, go to the reception desk. Either hand in your appointment card or give your name.

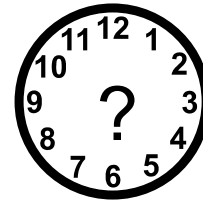

The receptionist will ask you to sit in the waiting area. Someone from the clinic will call your name when it's your turn to be seen.

## What should I do if I cannot come?

If you cannot come to your appointment please phone the number on your appointment letter or e-mail the address on your appointment letter.

## How long will my appointment take?

Please allow plenty of time for your appointment.

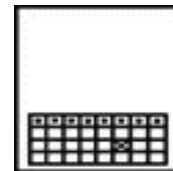

You may have to have an x-ray.

We will tell you how long you have to wait.

We will give you another appointment time if you cannot wait.

## What should I bring to the appointment?

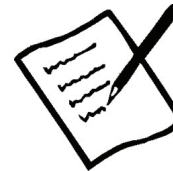

Bring:

♦ your appointment card

♦ a list of your medicines

♦ a list of any questions you might want to ask.
