

Do you work in a care home where there are registered nurses?

Yes!

Have you thought about becoming a Practice Learning Environment for student nurses?

NHS Lothian PEFs and CHEFs are hosting a number of virtual information sharing sessions for care home staff about what is involved in becoming a placement for student nurses.

The sessions will last around 30 minutes and will be hosted on Microsoft Teams.

All are welcome, including both NHS and non-NHS care homes – this will provide a safe space to ask questions and learn more about what it might be like to support students.

Some of the topics covered will be:

- ❖ What do you need to do to become a Practice Learning Environment?
- ❖ What are the benefits for you?
- ❖ Alternative models for supporting students – the ‘hub and spoke’ model

Dates are:

15th Aug 2022 - 11-11.30am

16th Aug 2022 - 2-2.30pm

17th Aug 2022 - 11-11.30am

18th Aug 2022 - 1.30-2pm

19th Aug 2022 - 11-11.30am
