Community of Practice - Lothian Care Homes

A Community of Practice provides a model for connecting people in the spirit of learning, knowledge sharing, and collaboration. It is also a safe, respectful place for discussion where everyone's input is valued. (Find out more about Communities of Practice [here](#)). This community of practice provides an opportunity to share experiences and approaches to enhance outcomes for people living in Care Homes and staff experience in Care Homes.

We aim to:

- Connect people
- Develop and strengthen relationships
- Provide a shared space
- Enable dialogue
- Stimulate learning
- Capture, enhance and build on existing knowledge
- Work together to enhance care
- Explore quality improvement
- Share improvement projects and pilots
- Generate and share ideas for tests of change
- Breaking down barriers

Membership:

- Care Home Managers & Staff
- Care Inspectorate staff
- Scottish Care
