

FREE ROUTINE DENTAL TREATMENT

**FILLINGS, SCALING AND POLISHING
AND FISSURE SEALANTS**

Free routine dental treatment, for unregistered patients only, is available at the Edinburgh Dental Institute at Lauriston Place (in the same building as the Blood Donor Centre)

The treatment will be provided by student dental therapists supervised by senior staff.

More complex treatments such as tooth extractions, dentures, crowns, bridges or root fillings are not provided.

Note: you cannot be accepted for treatment if you already have a dentist.

To use the service, ring 0131 536 4104 and leave your name and a contact number on the answering machine. We will call you back within a week to arrange an appointment.

Coming to us by bus?
The following Lothian buses stop on Lauriston Place: routes 23, 27, 35 and 45.
